Fernie Alpine Resort provides visitors legendary powder, uncrowded trails, mild climate, the best in Après ski fun and much more! **NEW this season, visit Fernie Alpine Resort to Ski the Peak on the new lift to Polar Peak!**

Fernie receives **up to 42 feet of snow in a season**, and attracts a wide range of skiers and riders from around the globe. Delivering over 2500 acres of skiable terrain, 142 named runs, 5 alpine bowls, state of the art snowmaking and grooming equipment, and an exceptional beginner's area, Fernie is a true winter playground for skiers and riders for all levels. Also now featuring the most snow, most ski runs and biggest vertical in the Rockies! What are you waiting for; this is THE winter to ski Fernie!

Enjoy **ski-in and ski-out convenience** with a variety of accommodations on the mountain. Soak in your own private hot tub in a 5-star mountain chalet just a snowball's throw from the slopes, or watch the sunset over the mountain peaks from the balcony of your private condominium.

Fernie Alpine Resort sits above the legendary town of Fernie – a historical mining community with an unforgettable and eclectic personality. **Dubbed the "Coolest Town in North America" by Rolling Stone Magazine**, visitors to Fernie always feel at home here and choose to come back again and again.
