

WHAT'S NEW – KIMBERLEY ALPINE RESORT

2011.2012 Winter Season

In addition to run enhancements, glade widening and the completion of a 24,000 sq ft Conference & Athletic Training Centre, the biggest news for Kimberley is the NEW Non-stop air service taking Canada's Resort city to new heights. New Non-Stop Air Service from Edmonton to the Canadian Rockies International Airport will get you skiing faster; In fact it's the closest airport to skiing in Canada! Kimberley Alpine Resort is very excited to have been chosen to host the Canadian Para Alpine Championship! We will be one of the few resorts in Canada to host the NORAM Para Alpine Events.

New Products

The RCR Rail Park Pass is now **FREE** this season! The Rail Park Pass can also now be ordered online and will allow you access in Rail Parks at every RCR resort as well as access into the NEW Skier/Boarder Cross Course at Fernie Alpine Resort.

80 Plus Season Pass NOW **Cheaper** to purchase! Only \$49 for just Kimberley Alpine Resort for the entire ski season, \$99 to include Fernie Alpine Resort and Nakiska Ski Area.

On-Mountain

NEW Restaurant – we are excited to announce the change over from Kelsey's Bar & Grill to Montana's Cookhouse! This should bring some exciting new variety for dining to the Kimberley Alpine Resort base area and also to Trickle Creek Lodge.

With the final stages of the Kimberley Conference & Athletic Training Centre (www.meetkimberley.ca) completed, this \$6-million, 24,000 sq ft, fully accessible conference centre is the largest conference facility in Eastern British Columbia, between Kelowna and Banff, Kimberley is the only mountain resort community in the Columbia radius to have such a facility.

Enhancements to North America's Largest Gladed Ski Terrain continues, including the infamous Black Forest, can be noted as the largest glading project in Canada. Ultimately, this will make more skiable terrain accessible in Kimberley Alpine Resort's gladed areas, creating more skiing fun.

Recent upgrades have been made to Trickle Creek Lodge including: exterior painting, and all suites have new flat screen TVs and bed linens.

Activities & Events

- The night skiing pass revealed its new name last season: the Nightrider Pass. Skiers & snowboarders can continue to enjoy unlimited fun on North America's longest night skiing trail (and for the same prices as last season). This pass was incredibly popular last year and in fact, inspired an evening rail jam series that many youth took part in. The night skiing opportunity at Kimberley Alpine Resort provides a positive environment for youth and family evening activity.

- Family Private Lesson Program - Have fun learning to ski or snowboard as a family! Up to 5 family members can participate.

- TELUS Learn to Ski – Sunday Afternoon \$25 special running in December, January and March during non-holiday periods.

Easier to Get to Us with the Closest Airport (YXC) to any Ski Resort in Canada

NEW Edmonton Air Services – skiers and riders can enjoy non-stop service from Edmonton this winter, plus enhanced services from Vancouver and Calgary provides easy access in and out to the Canadian Rockies International Airport, especially benefitting travelers from Australia. It's so easy to get here – you can ski the same day you arrive!
