Nakiska, the place Alberta and the World goes to celebrate the sports of skiing and snowboarding, is ready to party into the 2011.2012 season celebrating its 25th Anniversary of Nakiska! This season is dedicated to the legacy of hosting the Olympics as well as all the amazing enhancements that were implemented recently including the Gold Chair Express, Na.Jib.Ska Rail Park, the exciting introduction of the Monster Trails, and snowmaking expansion and the introduction of the April Spring Event Series featuring DJs & Beer Gardens every weekend. These major improvements were noted by guests and Olympic athletes training at Nakiska prior to the Vancouver Olympics and upcoming Sochi Olympic Games and were also beneficial for the preparation to host the Canadian National Championships.
